

# THE 20<sup>TH</sup> ANNIVERSARY EDITION OF DON TAPSCOTT'S CLASSIC WORK!

## With New Essays, New Analyses, And New Forecasts

Don Tapscott changed the way the world thought about the Web and Internet when he wrote *The Digital Economy* two decades ago.

Now, he provides topical updates and extensive new analysis of how the internet has changed business and society since *The Digital Economy's* original publication. The Anniversary Edition covers:

- The effects of the Internet on corporate structures and systems
- Social media's impact on business and business culture
- How web analytics have transformed business functions
- Teaching and learning—revolutionary developments driven by digital content
- Frictions between present-day industrial capitalism and the Digital Economy

“Twenty years of hindsight prove how deeply Tapscott understood the impact the Internet would have . . . This important book, now updated, is just as relevant today as it was then.”

— JOHN CHAMBERS, Chairman and CEO, Cisco
